I
concur.

I have no idea
how to introduce myself
to trap tents.

You
do your
best.

Ha ha! Hello, boy and dog!
Welcome to my **TENT** of
AMUSEMENT and
DELIGHTS--

No.

Amusement
and delights?
Come on. Look
at us. You're
not fooling
anyone.

This is
some evil
thing in
an evil
land.

Why, I have no **IDEA** what
you mean! Simply present
your tickets and--

Do you
think you're in
a carnival? Did
your tent get
lost in time and
space?

Nah...
you're giving
him too much
credit, Finn.
It's clearly a
weird trap.

My jovial **HOUSE** of
MIRRORS will merely
TRAP YOUR BLUES!
Ha ha.

STOP
IT.

I--

BAD.

YOU ARE
A TRAP
WIZARD.
AND
YOU ARE
DOING
LIES.

Yeah
dude, pack
it up--

WHAT'S
THIS?!??

A HOUSE OF
MIRRORS??

WHOAH,
YES. LET'S
DO IT!

HA HA
HA HA
HA

BOYS DAY AT THE CARNIVAAAAAL!

What a fine idea.
Thank you, and enjoy!

Where did they even come from?!!!?

We gotta go get 'em.

WHAT IF THAT'S PART OF THE TRAPP??

Maybe it is, dude. But we gotta do it.

Two tickets to the trap, please.

But you already HAVE your tickets.

WHAAA

We didn't buy no tickets!

Perhaps you did. Or perhaps you WILL.

All of time is happening at once.

You only CHOOSE to perceive it in sequence.

Yep!
There's the evil!

Normal people don't say stuff like that, man.

Abracadaniel?
Mr. Cupcake?
Punch Bowl? Tiny
Manti-

Dude, he's
sensitive about
that.

Unremarkably
Sized Manticore?
Come back out with
us! This place
is a--

month!
next
Continue

WTF

NOT
HERE.
YOU
START
DOWN
THERE!

SLAM

Wuzzal?
Finn, we're not
appearing in
the mirror!

Ah trench
it, the door's
locked up!

NOT
THAT WE
DIDN'T EXPECT
THAT, TRAP
CAVE MIRROR
PLACE
THING!

Whatcha talkin'
bout, buddy? We're
right there!

We're gonna
rip down your
tent, and put
you in wizard
jail!

no, I
uh,

because you're
evil.

You tried to trap
us in a time cave
was no lesson.
right dude. There
Ha ha, yeah

LET'S SEE HOW
THESE GUYS
GET OUT OF
THIS MESS!

Uh... WELL DONE. You solved my PUZZLE! I'm sure you learned the lesson!

HA HA HA
MARVELOUS.

WHAT A FEAT!

I'VE ALWAYS HAD THE KEY!

Wait, no they're not! But the mirror shows...What's going on with that mirror, man?

I think it's... showing us clues? It's showing me like... I gotta get a key!

Finn, it does not take a magical mirror to clue you in that a locked door requires a key.

Huh?
EVERYBODY'S
in here now?

Eh... I don't
buy it. I think
there's a way
out.

Time is never
ending, and you're
ALWAYS seeing
the future
here!

Ah, they're
ignoring us.

You DID
say to keep
it down.

I
didn't.

No,
the you
through the
mirror.

I'm
right
here!

Hee hee
hee.

Let's
go further
in. Looks like
that's what
THEY'RE
doing.

But
they're
walking
backwards?

JAKE.

What? Are you? No! I REFUSE THAT! WHERE ARE YOU??!

YES! HA HA HA!

So what's just around?

Yeh, there we are again.

Ti-
Manticore!

Finn! Jake! I fear this house of mirrors is in fact a deadly puzzle of reflection!

Also there is a monster in the next room and he's pretty deadly too.

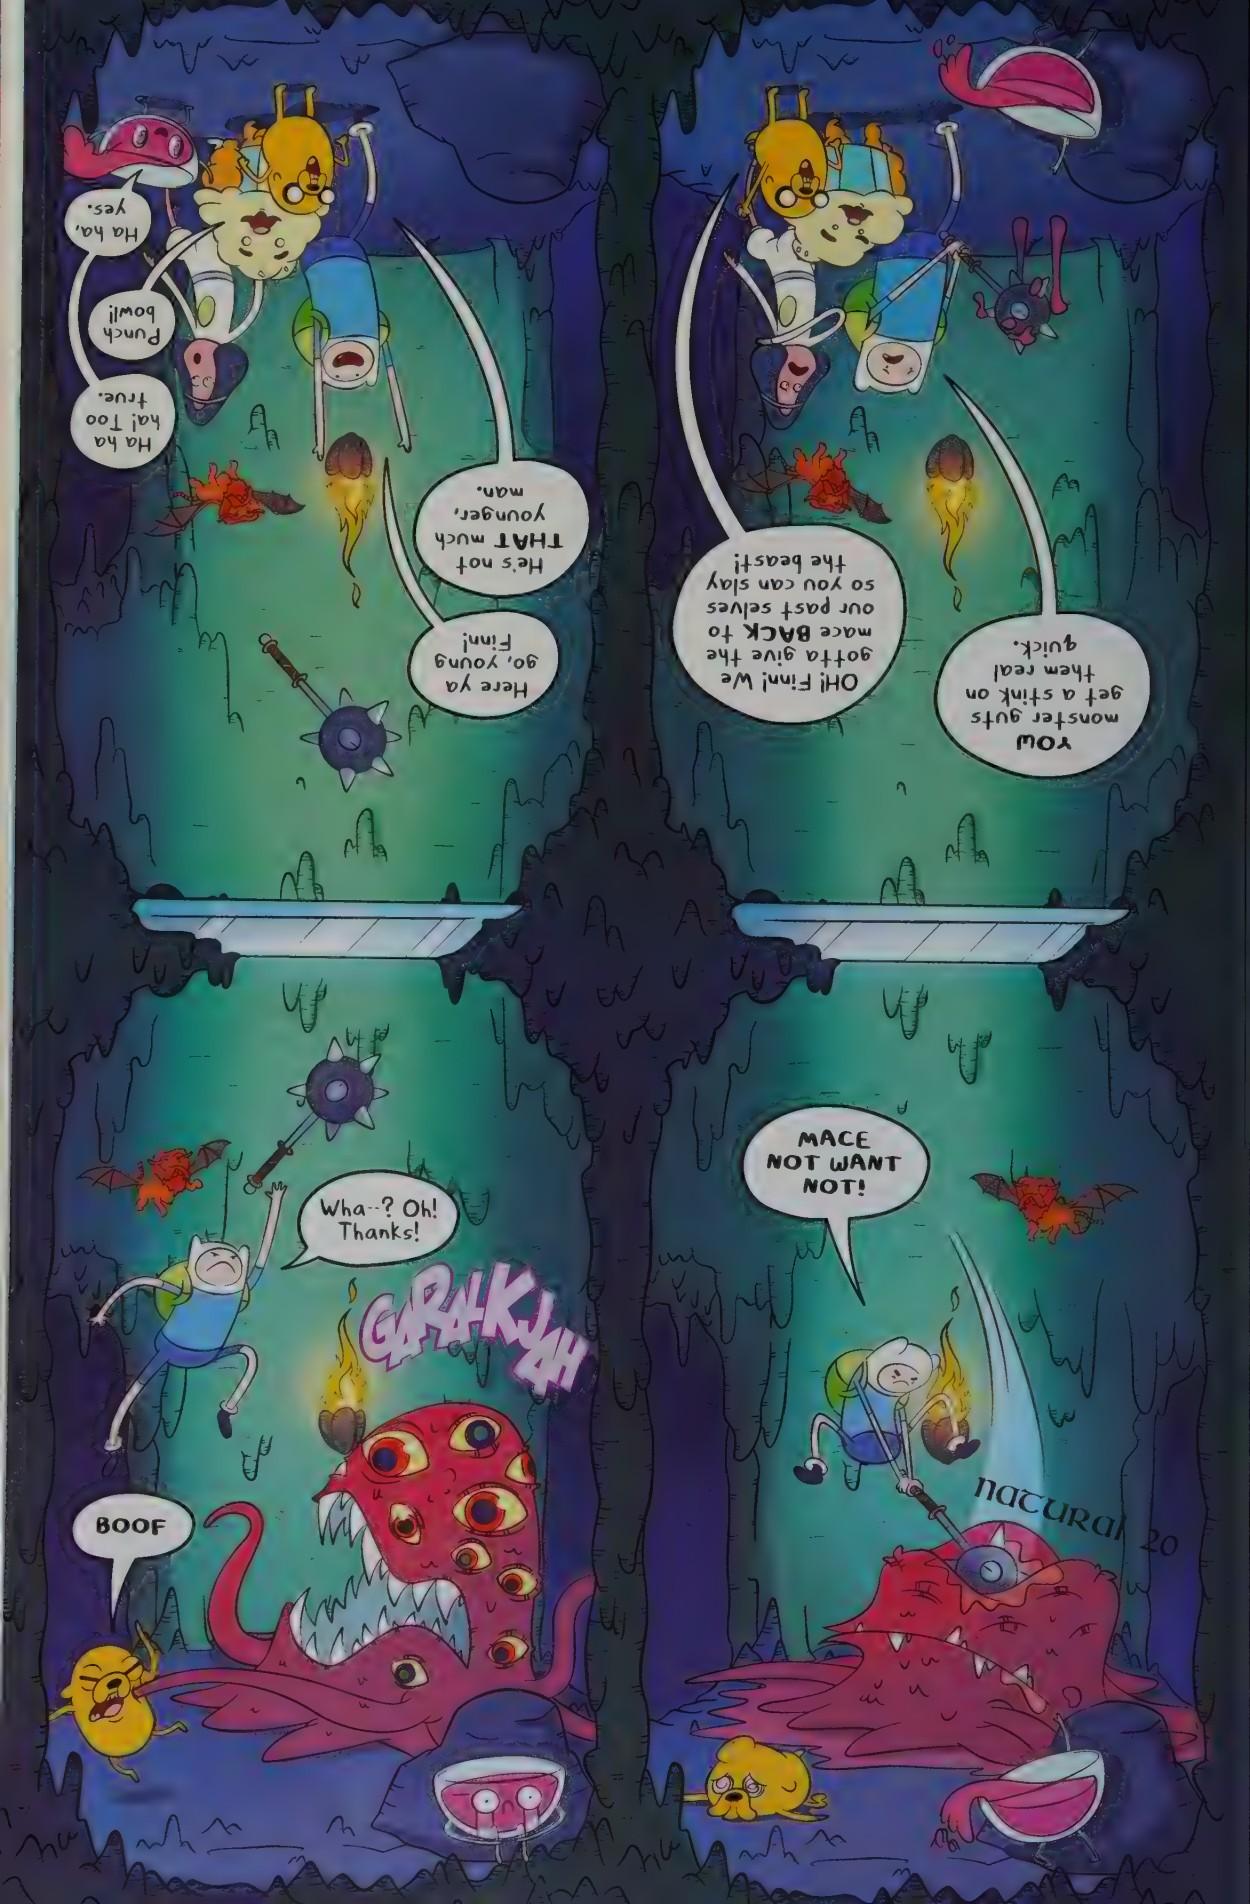

What were you all even DOING here?

Abracadaniel, Mr. Cupcake, Punchbowl...a trio of cool bros looked upon me with kind eyes, and invited me to join them to seek out FUN.

I was SEDUCED BY the call of FRATERNITY.

AND I FOLLOWED IT INTO THIS PIT OF DESPAIR!

WOOOSH

Nothing!

What's that?

By...

But then the fire was started by...

Totally.

Dang. Nice job, us of the recent past.

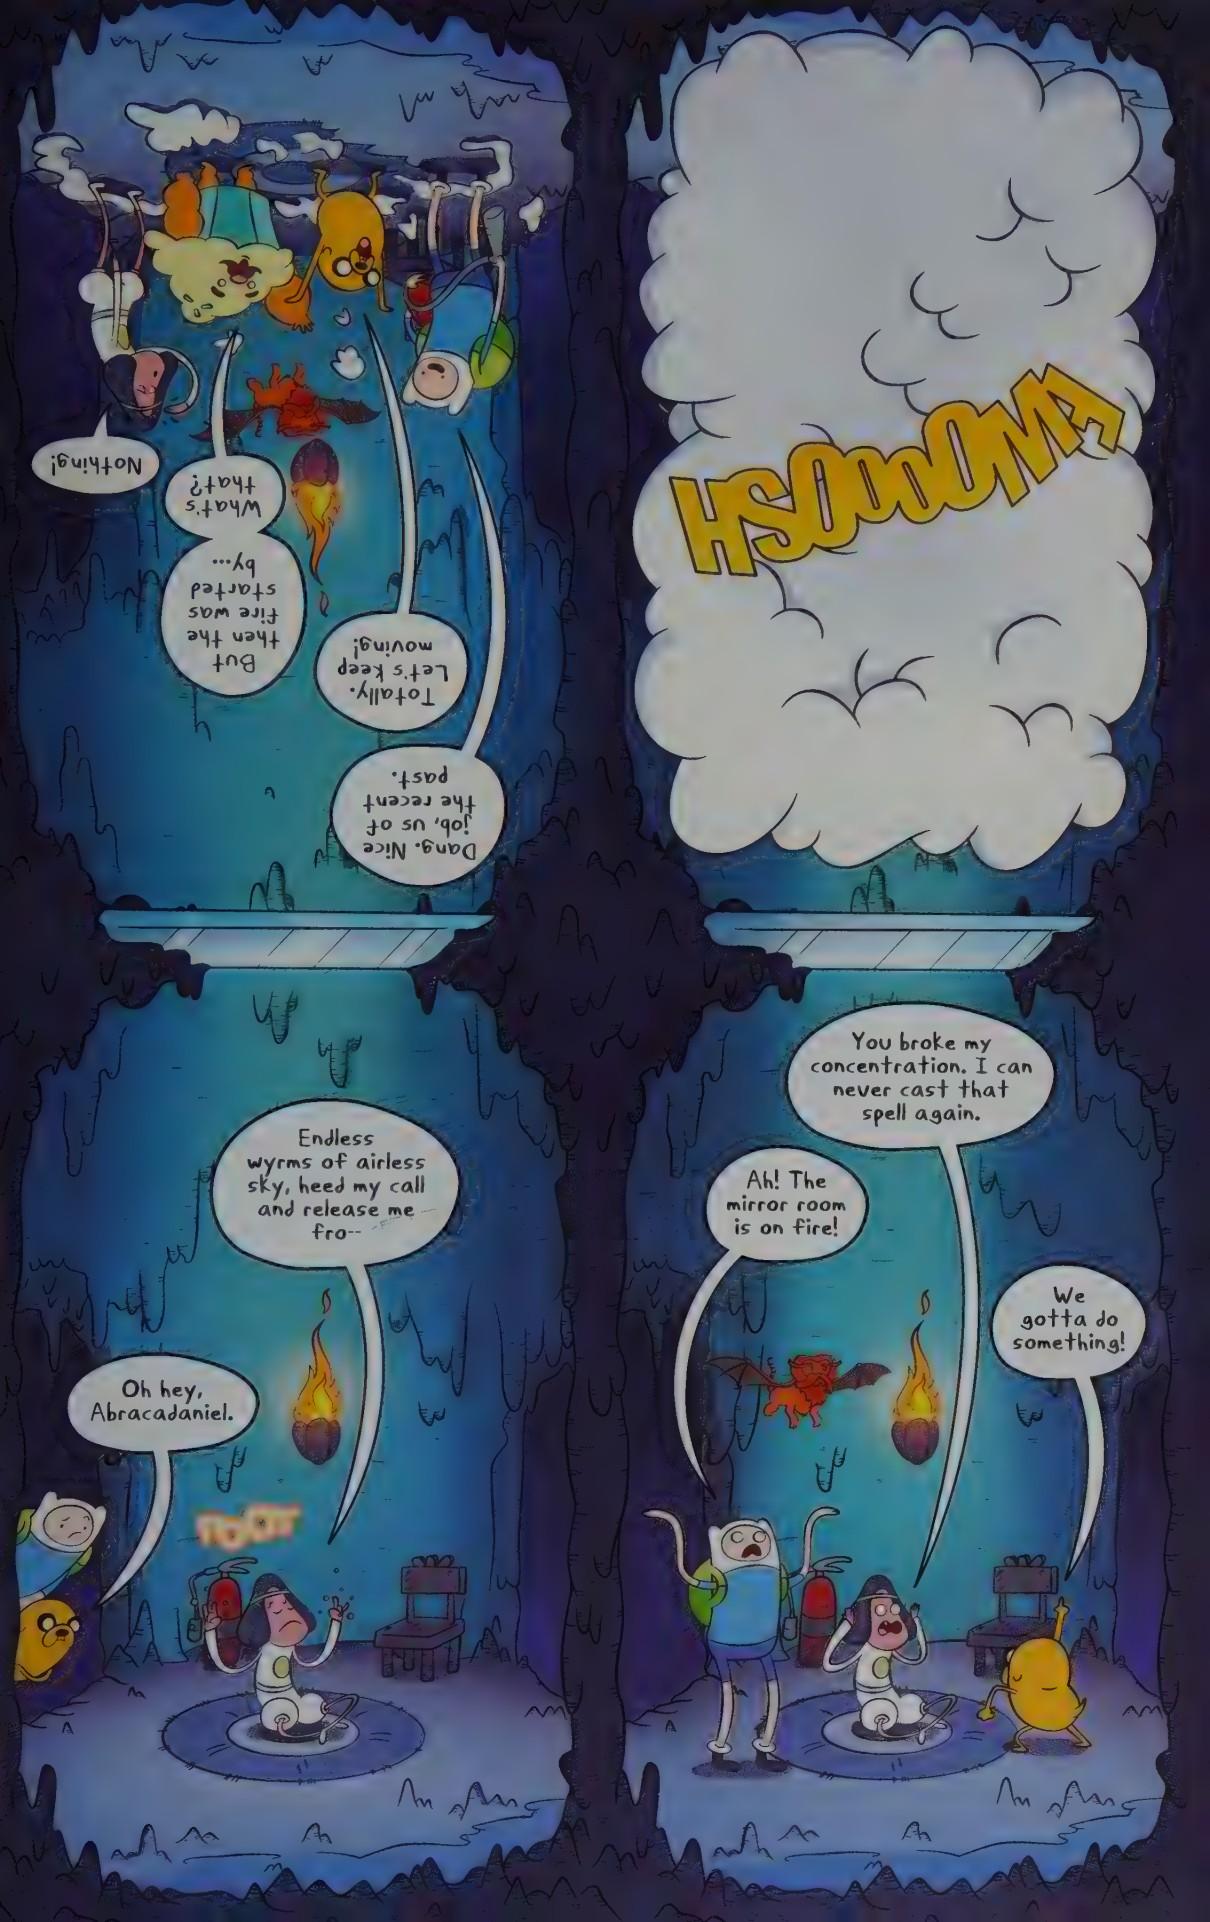

Endless
wyrms of airless
sky, heed my call
and release me
fro--

Oh hey,
Abracadaniel.

You broke my
concentration. I can
never cast that
spell again.

Ah! The
mirror room
is on fire!

We
gotta do
something!

WHAT? We're back in the old room!!

FLAMES?

OUR VISIONS HAVE BECOME REAL

MUCH LIKE how our own self perceptions come to manifest.

Sure, I guess!

The fire extinguisher just disappeared!

We gotta find something to help them!

NNN a bit of... witcherryyy!!

EWODMRH

THIS MAP IS JUST
GETTING WEIRDER

Come on, bros. We gotta find the
gotta find the
from the...
and save em
other us-es

Are you
talkin' in
clues? I just
say STUFF,

Ho ho!
Greetings, chums!
How are you finding
this MAZE of
wonderment?

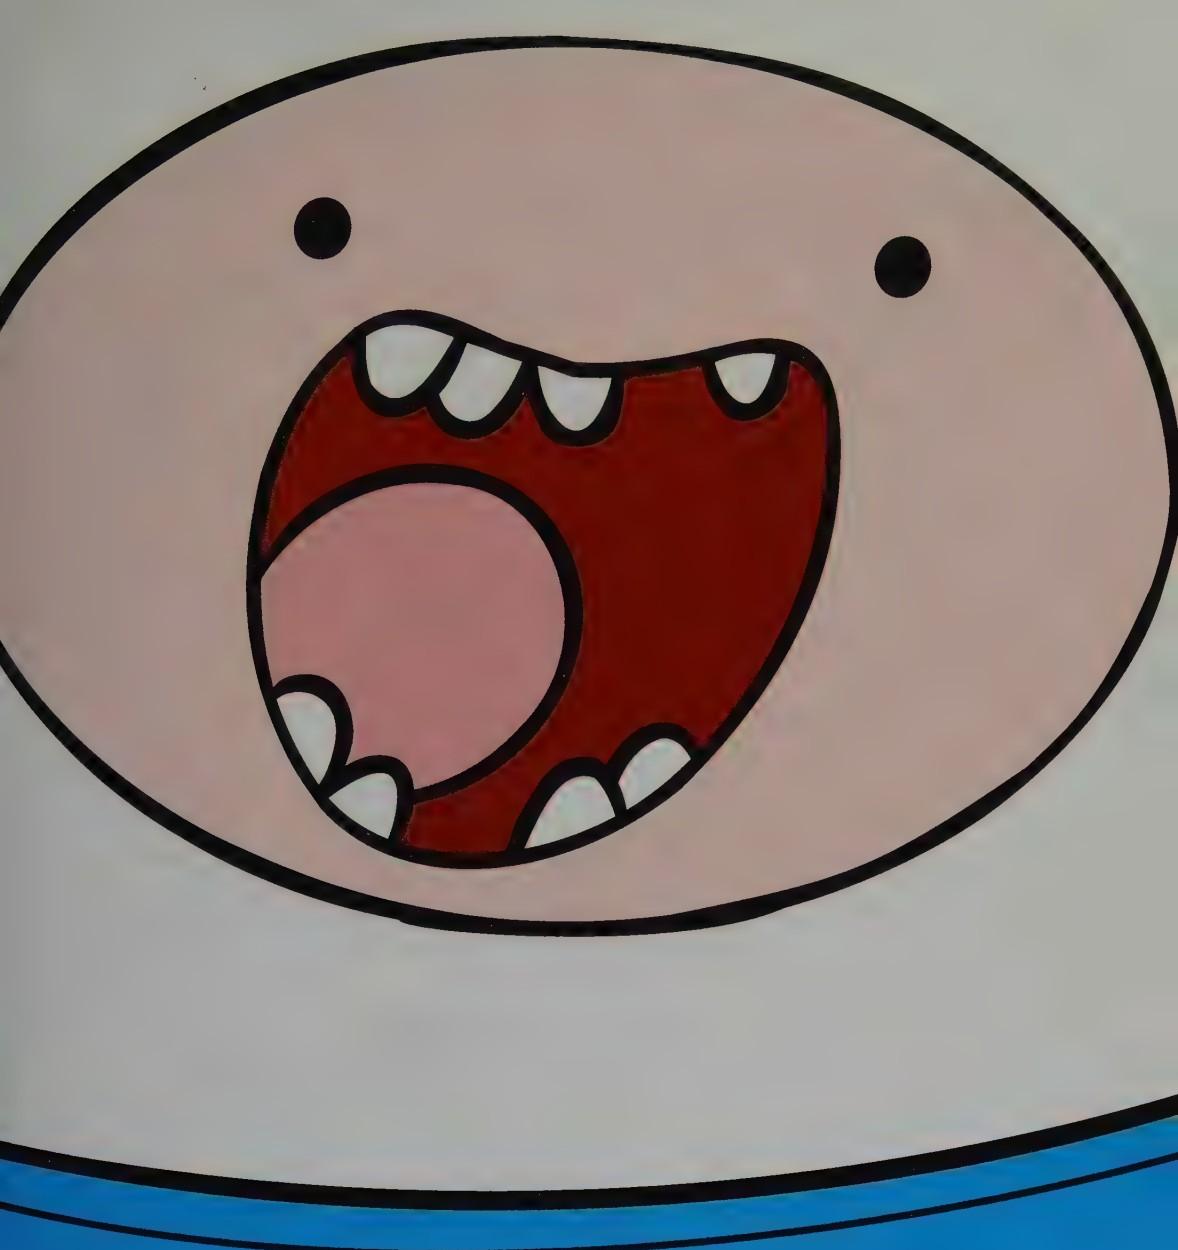

Dude, there's
like MIRROR
VERSIONS of us
in here and they're
CAUGHT IN
A FIRE!

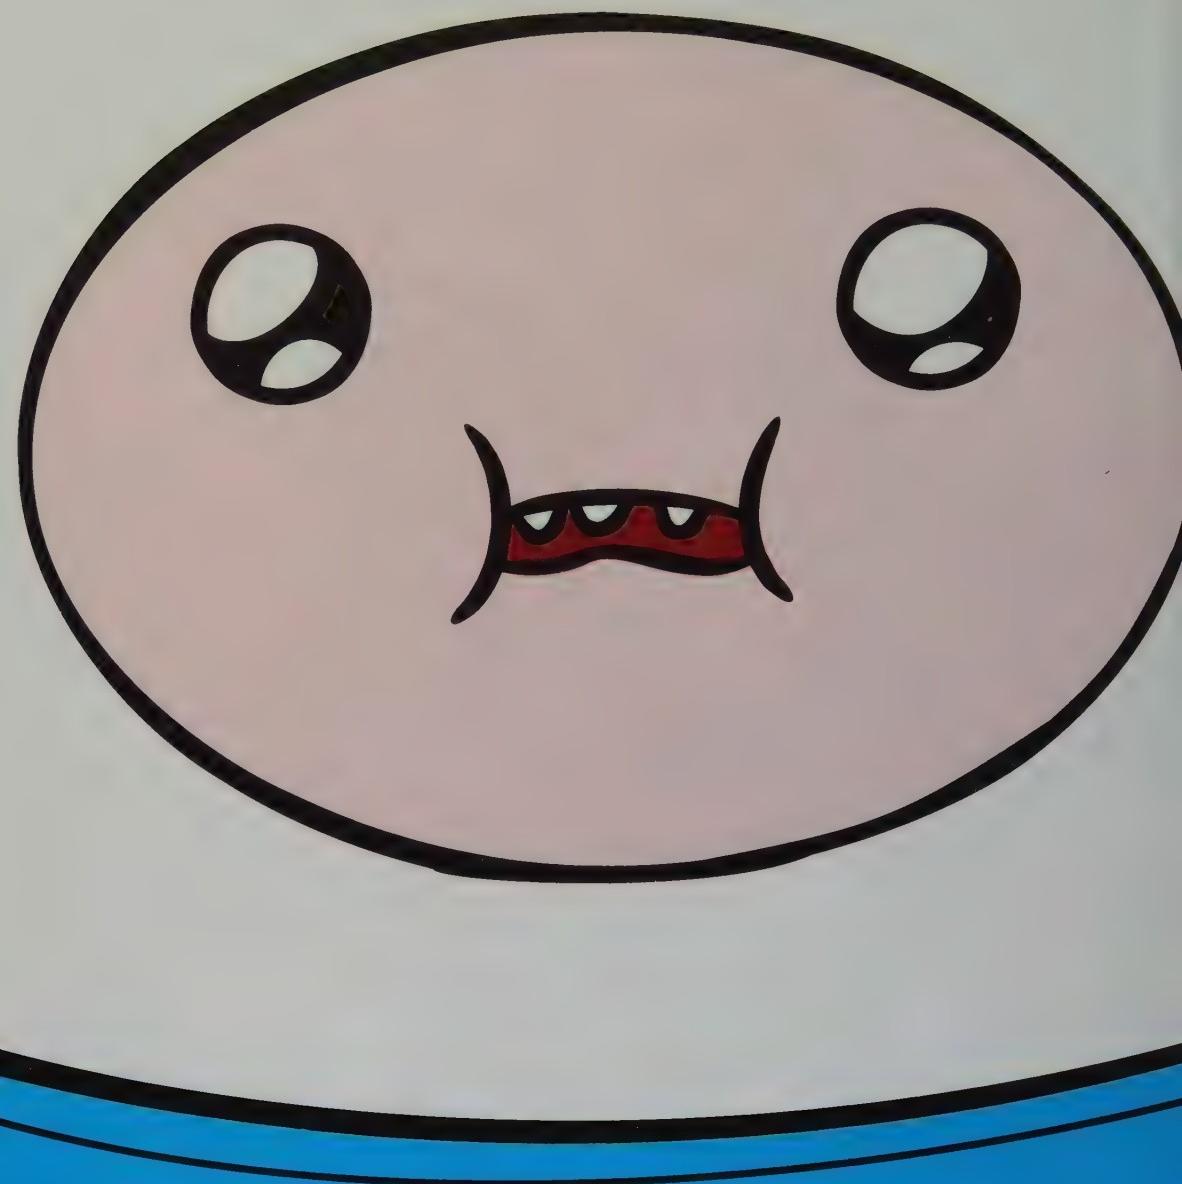

It is a
vision of
basest
horror.

I say! That's
not the day of
RIBALDRY this
boys day out was
intended
to be!

Oh no?!!
You're not
finding my
PUZZLES
amusing?

HEY
TRAPPY! WE'RE
COMIN' FOR
YOU. DON'T
WORRY.

...repeat, intruder at storage site twenty four delta.

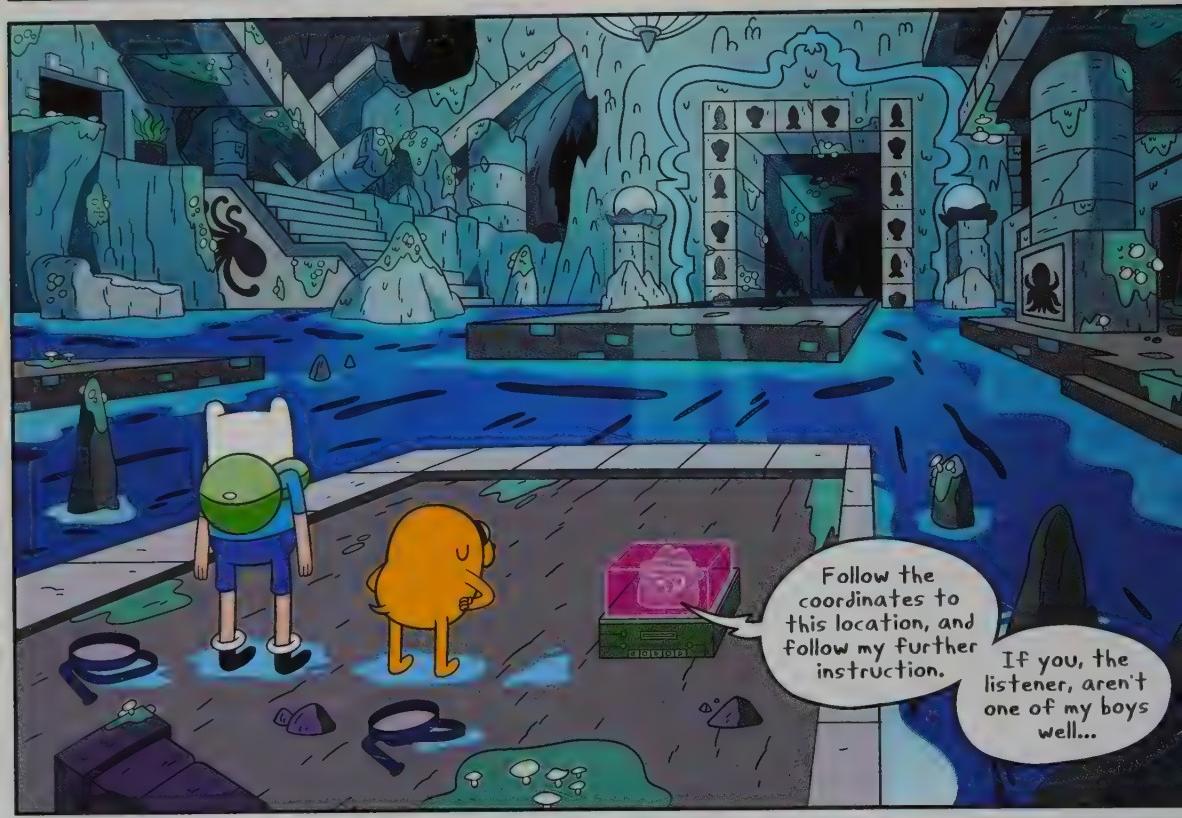

"REPEAT. Intruder at storage site..."

"Eh...jeezers. I sure hope this playback's been stopped by now."

"Jake? Jermaine? Finn? It's Poppy."

"If this alert is still going off, that means I wasn't able to take care of it myself."

"I'd say probably because I went and kicked the bucket! Kicked it right off this mortal coil!"

After leaving
the illusionary
staircase, you'll have
to traverse a pit of
teeth. It's real
gross!

Hmm...if we're
supposed to protect
this statue, moving
it out from under
crumbly ceilings is
probably a good
idea.

Yeah. Hey
look! Found the
"intruder", heh.

Get outta
here, mushrooms!
You scared my
holo-dad!

INTRUDER
DEFEATED
hee hee hee

After you're past Dr. Ghost DDS, you'll be in the room of a thousand pennies. You can just keep going. You don't need to do anything with the pennies.

They're pennies.

I'll take care of Mister FUN-GUY!

Finn, you get that statue out of here!

WH-CHAK

Uh oh.
That felt...

waaliakdhalk

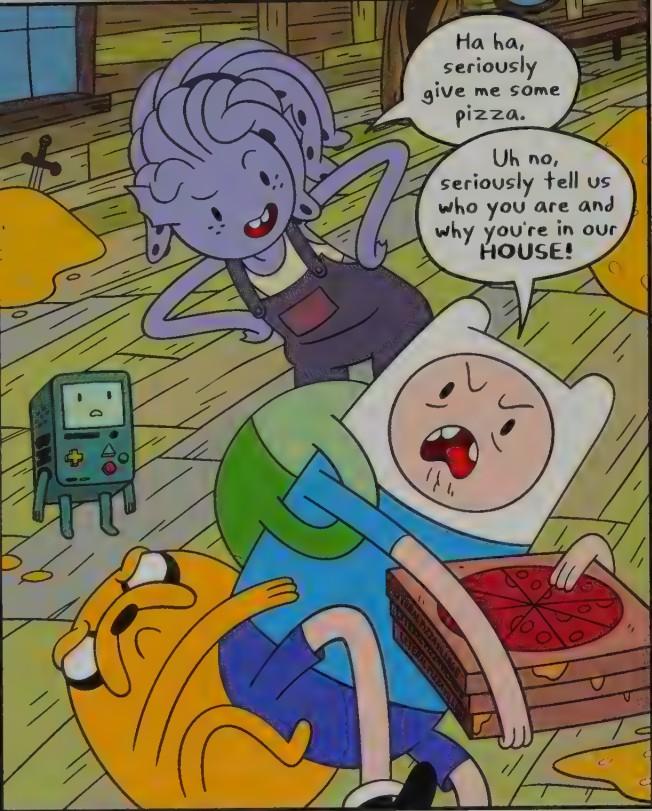

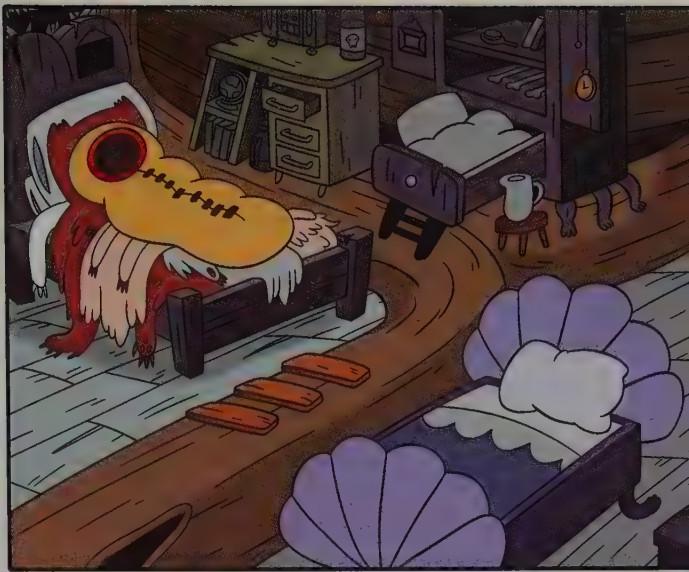

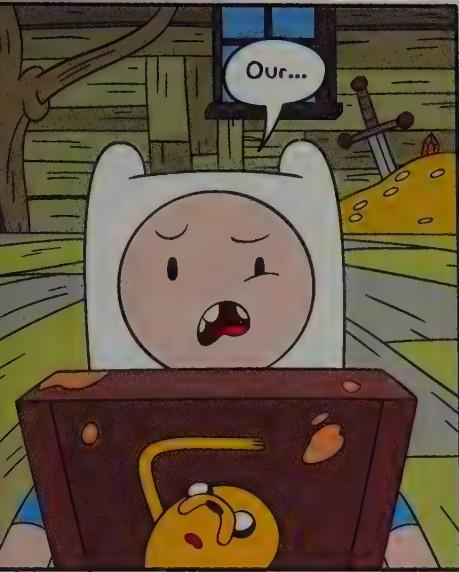

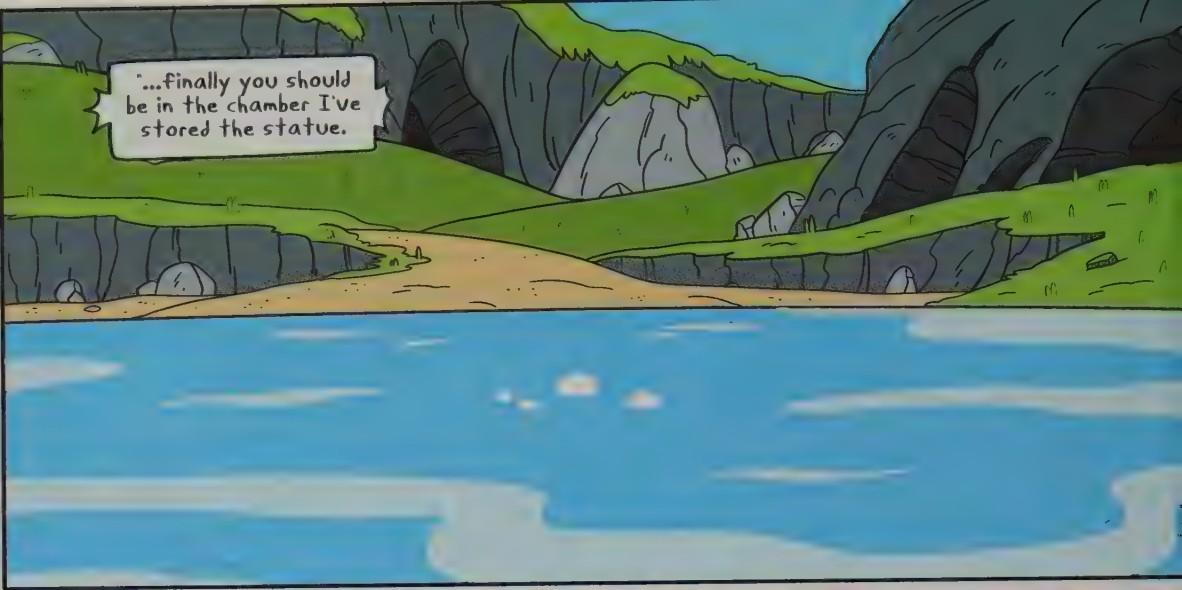

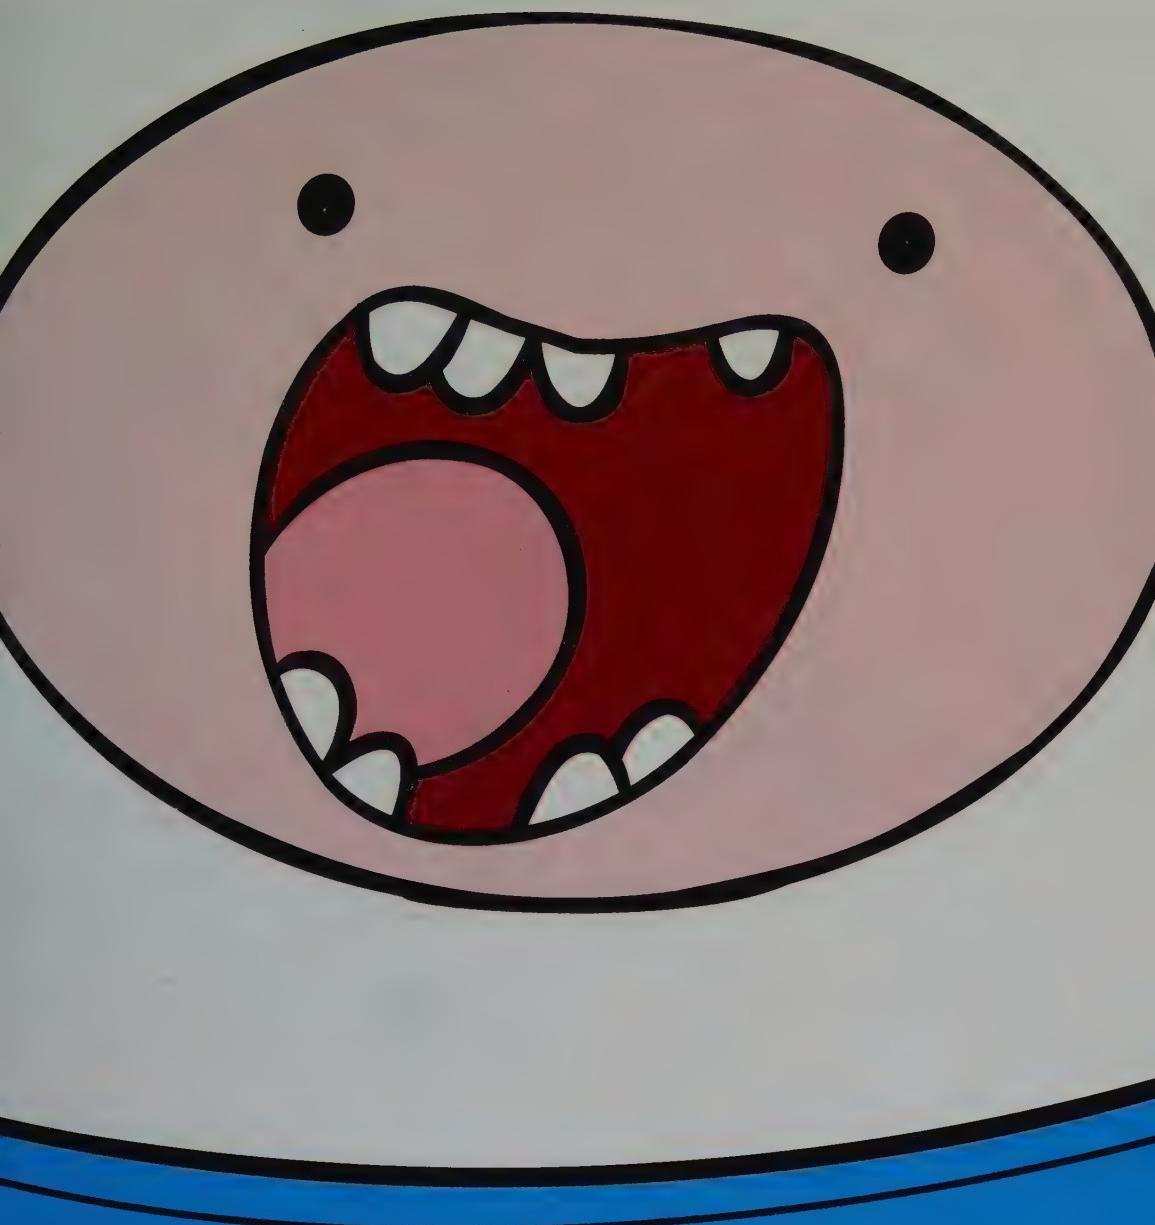

...finally you should be in the chamber I've stored the statue.

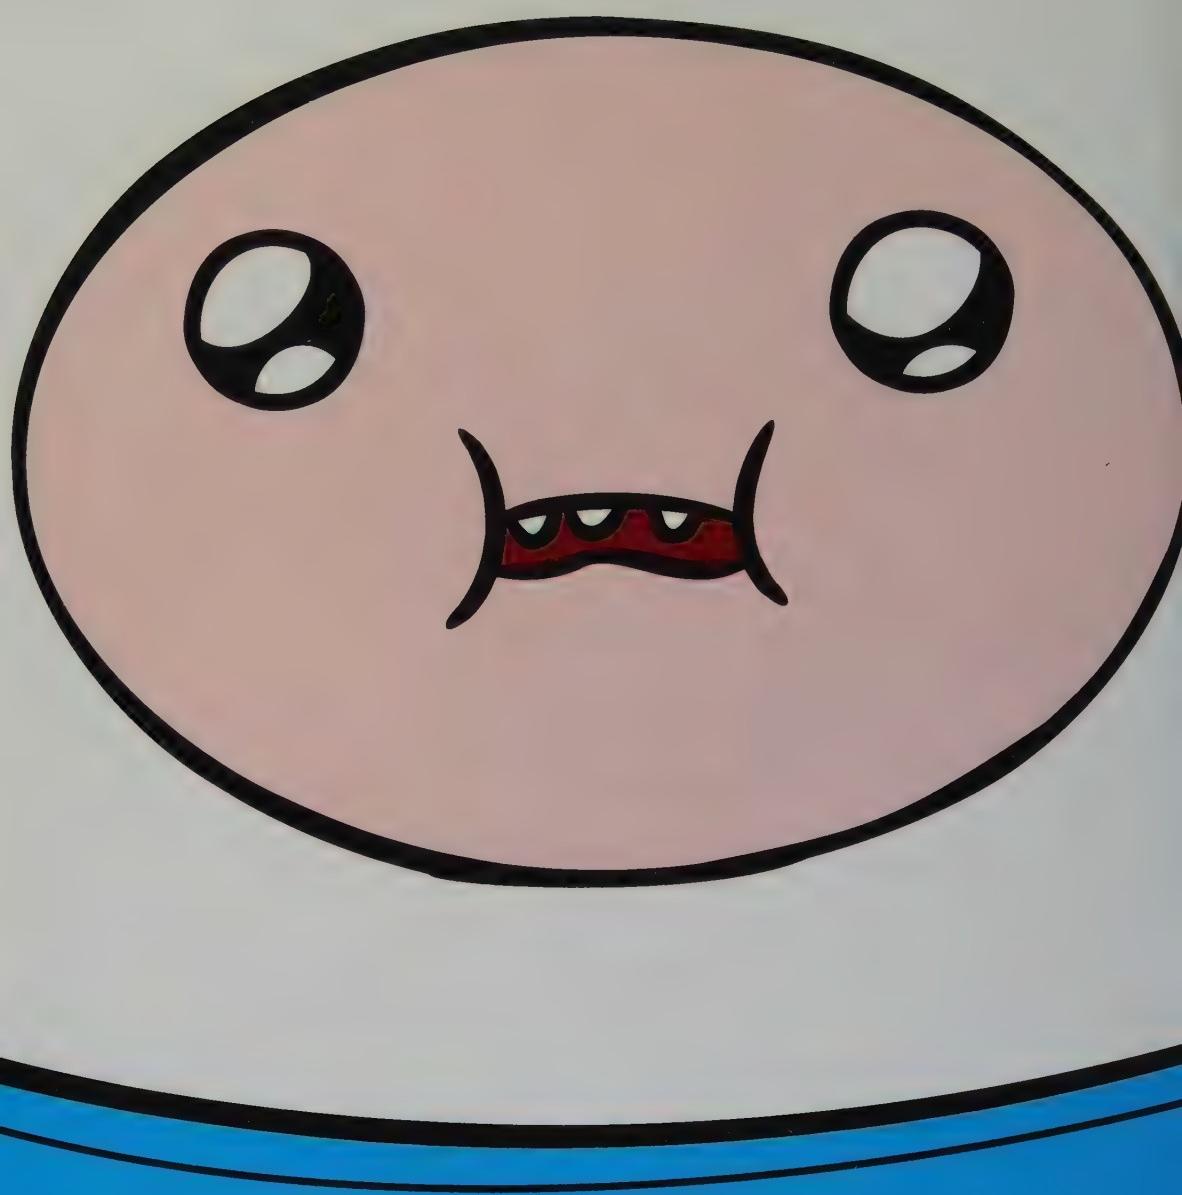

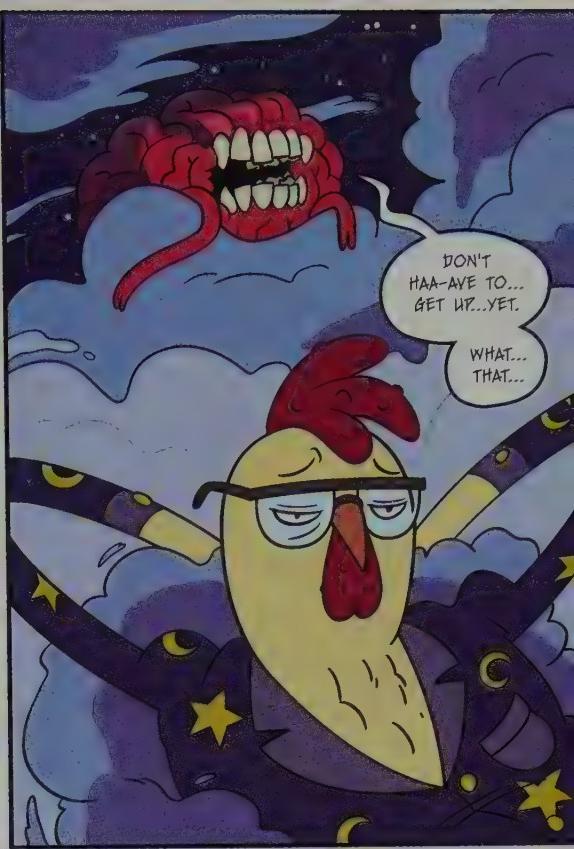

"Make sure it's unharmed, and make sure it stays that way."

And boys, don't linger. The things in this place are meant to be forgotten.

So...Gata...
you made a mech
upgrade for
Beemo?

Uh...yeah
bro. Like YEARS
ago. You know
Beemo loves takin'
out Thought-
Demons.

This is...

THE CLOUDS!

Little baby
angels could
live here!

HOW DARE
YOU COME
HERE, RUDE
MONSTERS!

--OOOH!

TOO...EARLY...
SHOULD HAVE
HAD...

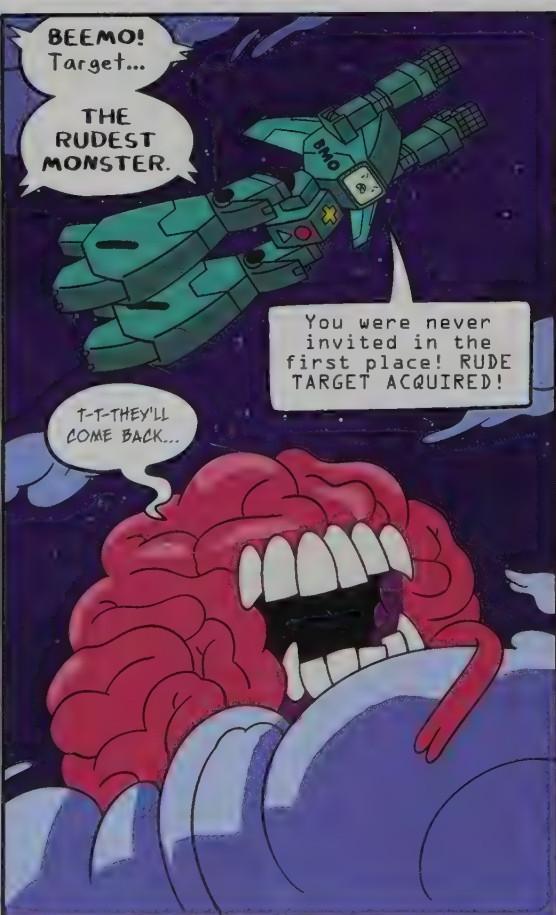

...C-C-COFFEE
AND NICE BAGEL
BEFORE...
F-F-FIGHT.

Sorry,
that one's
me!

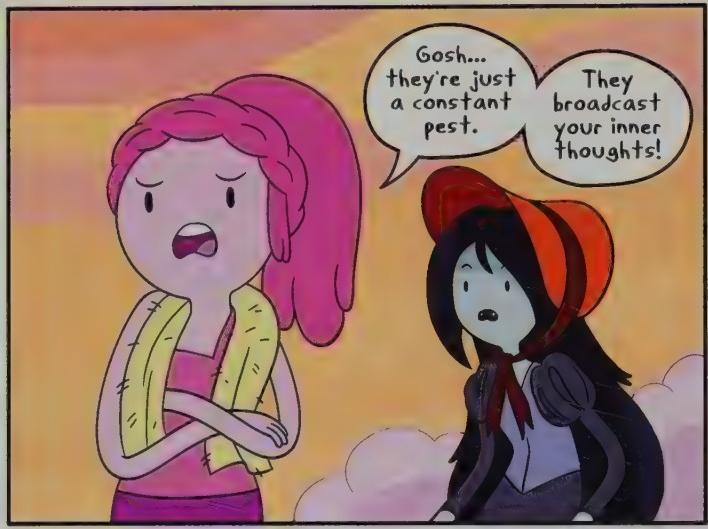

We should
have, though.

And they EAT!
Sweet GLOB do
they eat. You can
imagine how terrible
they are in the
CANDY kingdom.

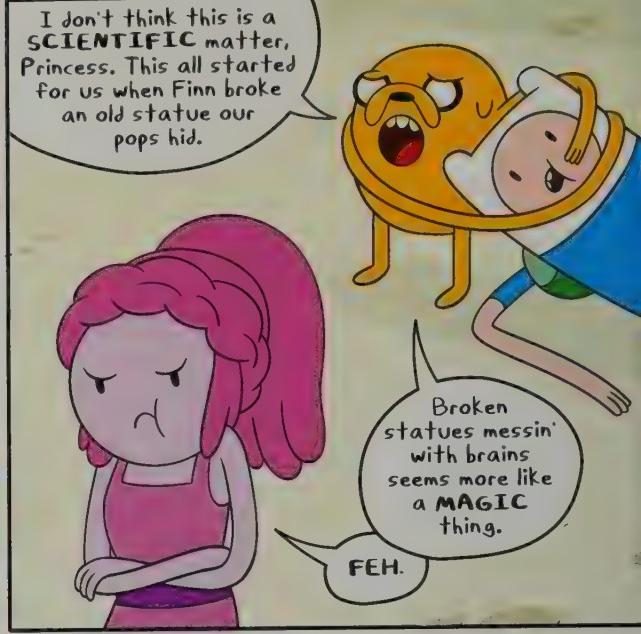

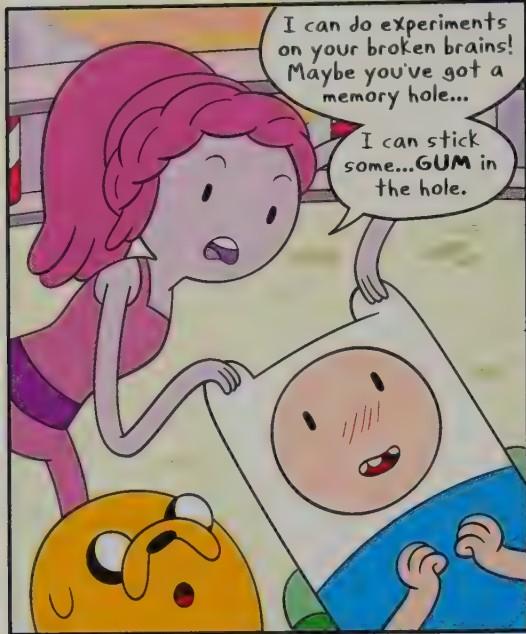

I wish I could
have built this
place out of
something
else...

Metal?
But no.

These are
candy-makin'
hands.

Ohh...no.
Not that
HOUSE.

The place
they lived
BEFORE you
were born.

"In the old city."

We should
be able to get
there by sometime
tomorrow.

You remember
any of this, Jake?
You were born in
that city!

Naaaah, not
really...

NO
WAIT! I
DO!

THAT
TREE!

I THINK I
KNOW THAT
TREE!

...
...or was
it that
one?

...
...or am I
thinkin' of a
tree back
home?

These trees
look a lot
alike.

STOP
PRESSURIN' ME
TO REMEMBER
STUFF!

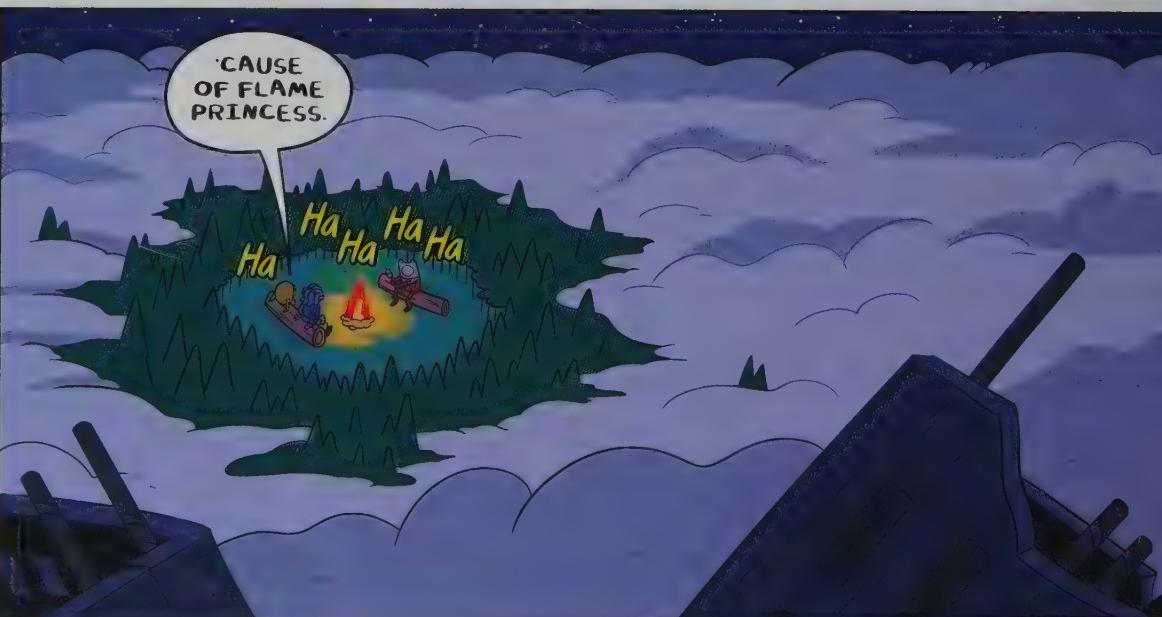

Sorry...

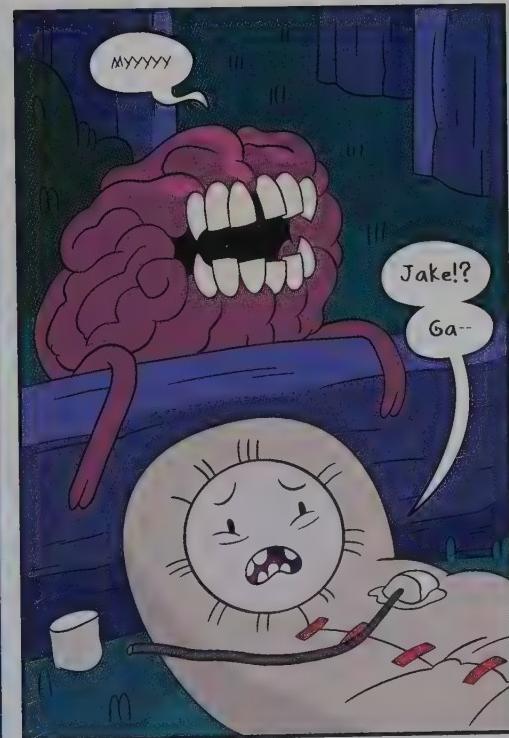

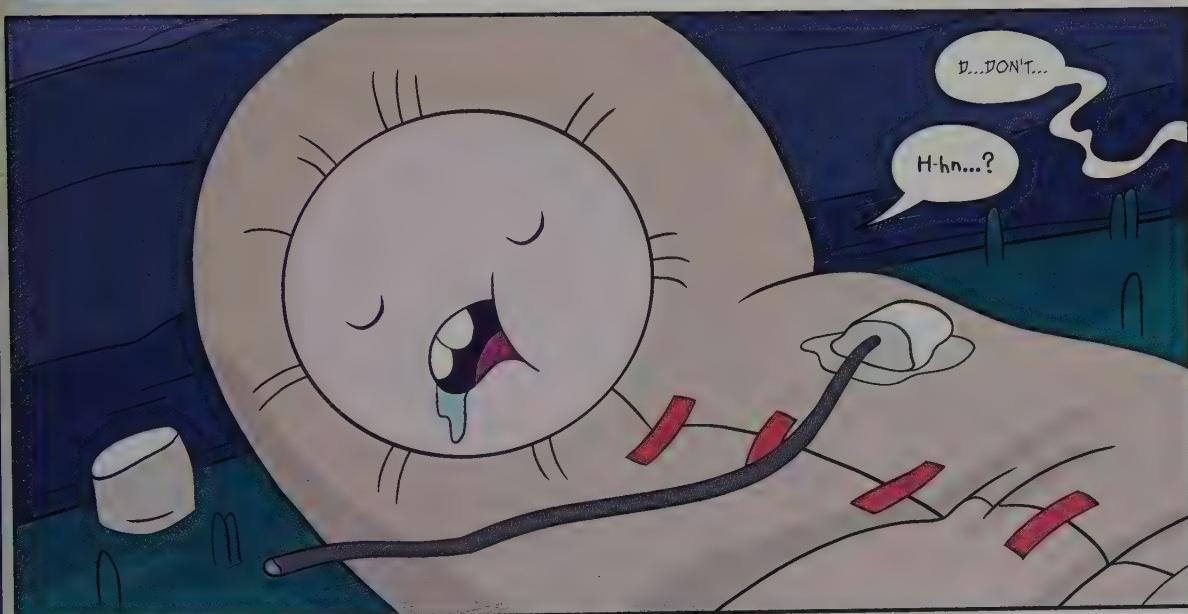

...stressin'
me out.

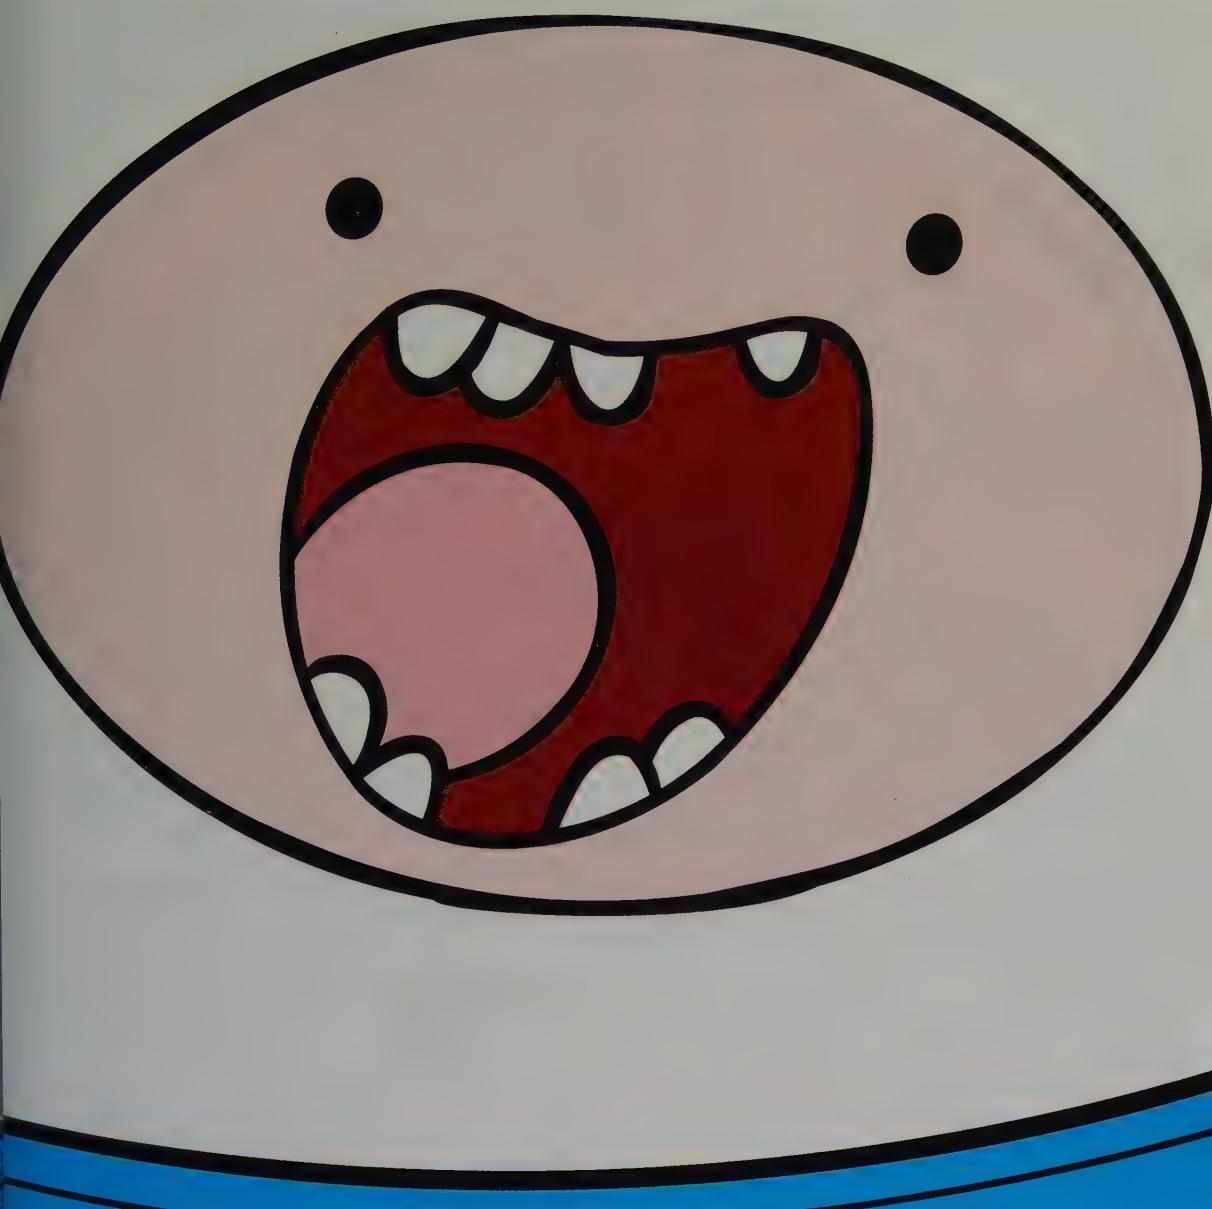

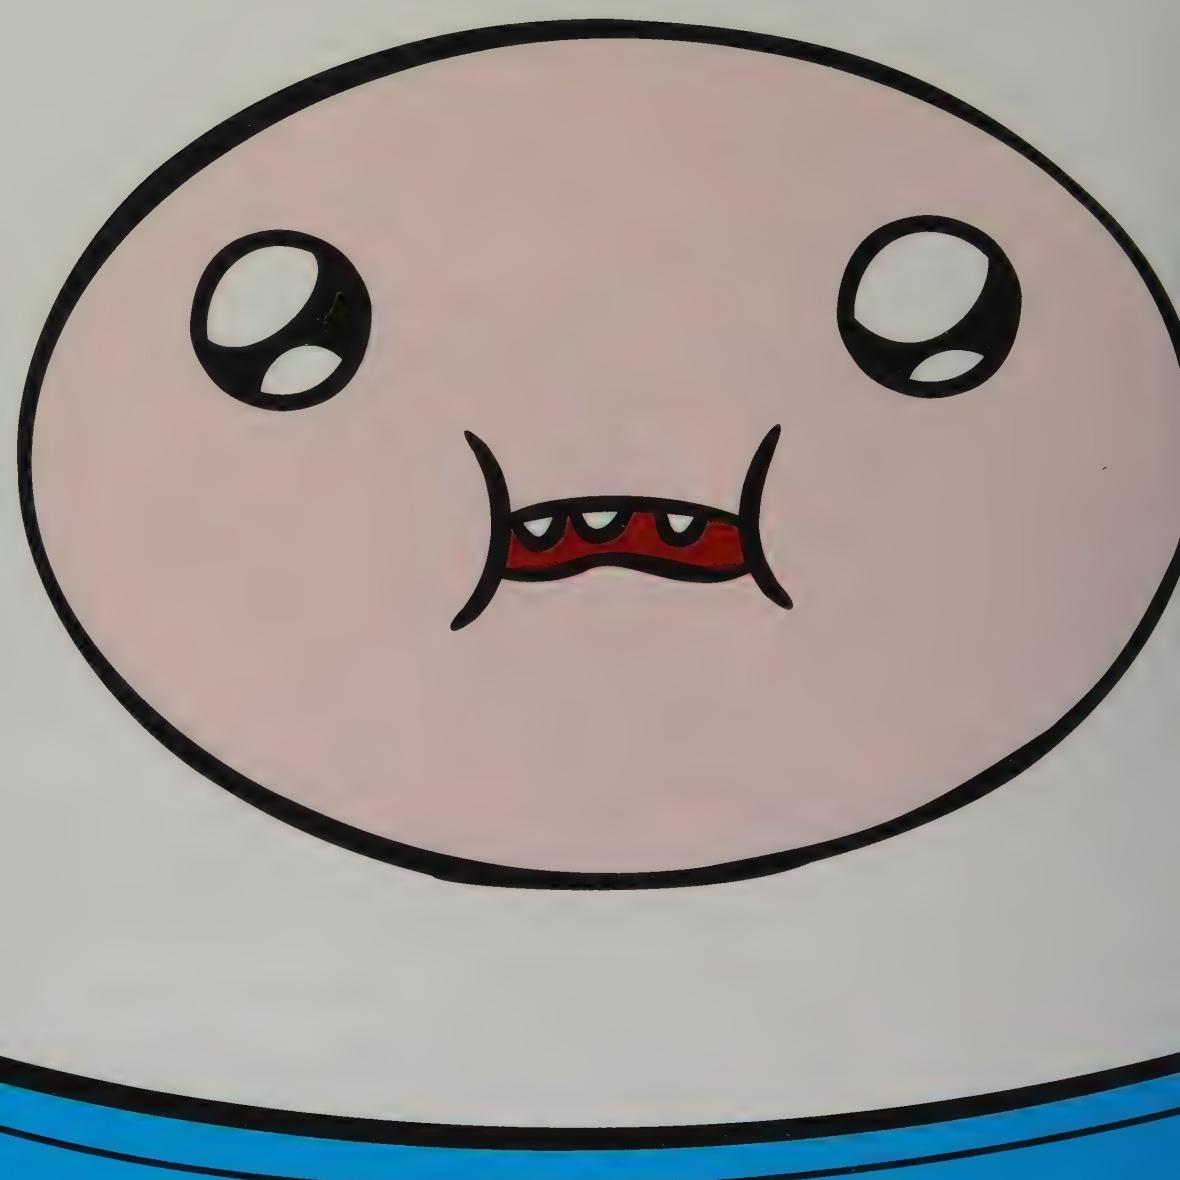

GATA!

FFFFR!!!!!! EEEEEEENDS!

dog

YEARS AGO...

Jeepers,
a spooky old den
like this makes a
fella prone to talking
to himself, like some
kinda kooky
nutter!

Makes a
fella feel a little
guilty about some unkind
things he's said about
nuttters in the past! Makes
a fella feel a little
sympathy for 'em!

Makes a fella
maybe want to head down
to the insanity hospital
and start scoopin' out
apologies-

Aw, Joshua's upset because he doesn't have his hat! Here you go, big guy!

Sweet mama's multiverse! These alternate visions of reality sure don't get boring!

Sorry bout the leash, pal! There but for the grace of Glob go I!

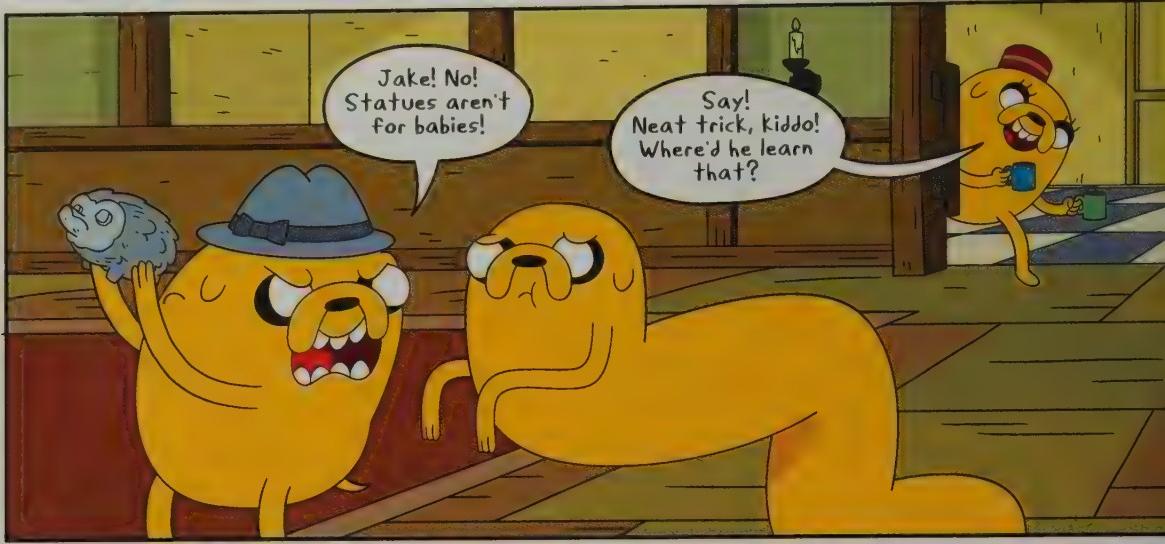

Hrmph!

...probably. Just have to run a FEW more EXPERIMENTS on this mysterious goop!

And hey, what's this? The boys better not be coming down here, leaving their toys!

They also shouldn't be playing with heavy faceless statues! Those make terrible toys!

That's why
I'm trying to
figure out those
caves! If I
can--

WHAT IS
THAT!?

MMPH

aaaa

It's a baby!
Poor thing
climbed in the
window!

Looks like a
MONSTER to me!
Tell you what,
we'll be fair.

Put the monster in a
box. Fill the rest of the
box up with apples. Put
the box outside.

Monster
can't eat our
kids. Monster
gets to eat
apples. Apple
cover protects
monster from
other monsters.
Win win
win--

Ah! Jake! No!
EVERYONE
NEEDS TO
STOP PUTTING
JERMAINE IN
THEIR
MOUTHS!

That's right
kids, you listen
to Poppy!

Hm...maybe
that's just what
this abandoned
little thing
needs...

A nice
Poppy?

Oh
no...

"We've got enough on our plate with **TWO** kids. **THREE** would be **UNTHINKABLE**"

YEARS AGO STILL...BUT...

A LITTLE CLOSER TO NOW.

Kids, calm down please! Mummy's trying to catch a rascally beast!

P-P-PIPE DOWN, M-MONSTERS!

These darn things are everywhere! We should have never left the city!

I think they followed us here!

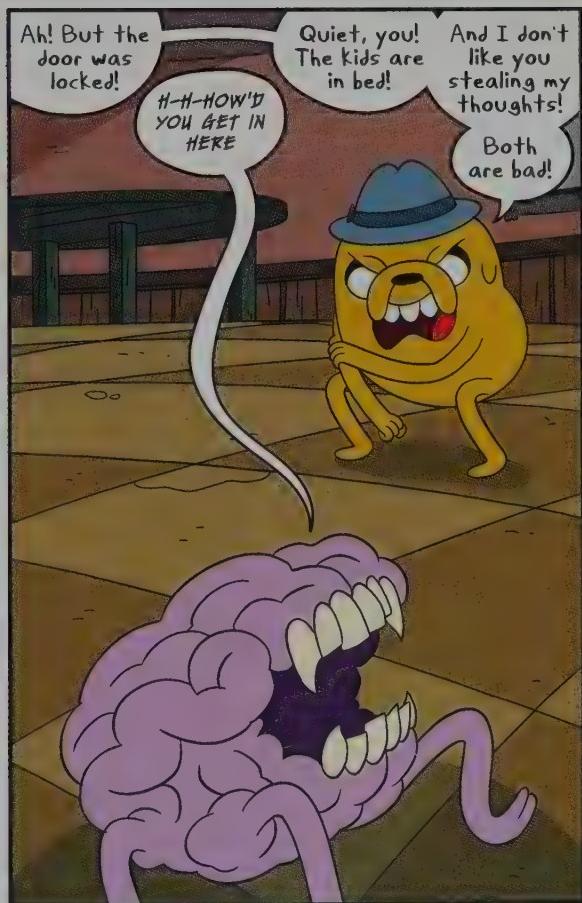

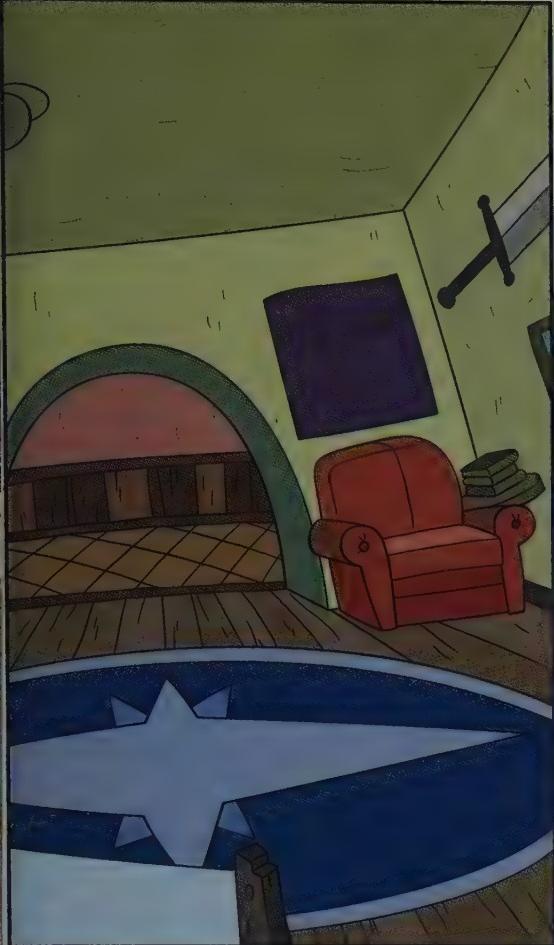

IT WILL COME
B-B-BAAAACK ALWAAYAS
C-C-COMES BACK

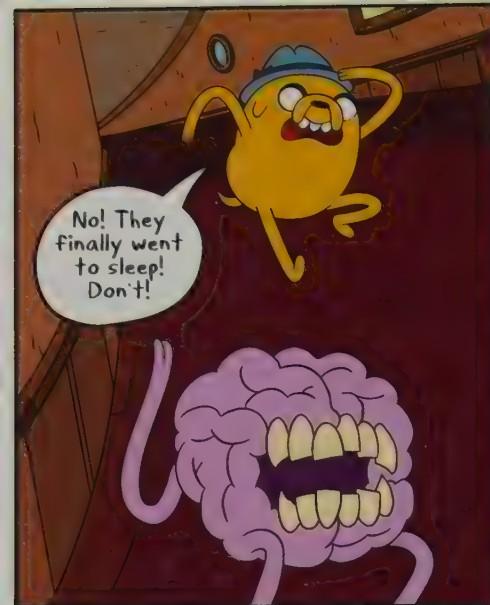

And STAY out!

Maybe if you didn't say CREEPY THINGS and had an OUNCE of manners, we might let you stay in the basement!

I've got a LOT of love in my heart!

Now what the algebraic nonsense is happening here? Some kinda...magic door mouth?

And how did that not wake you up, kid?

J-jeepers.

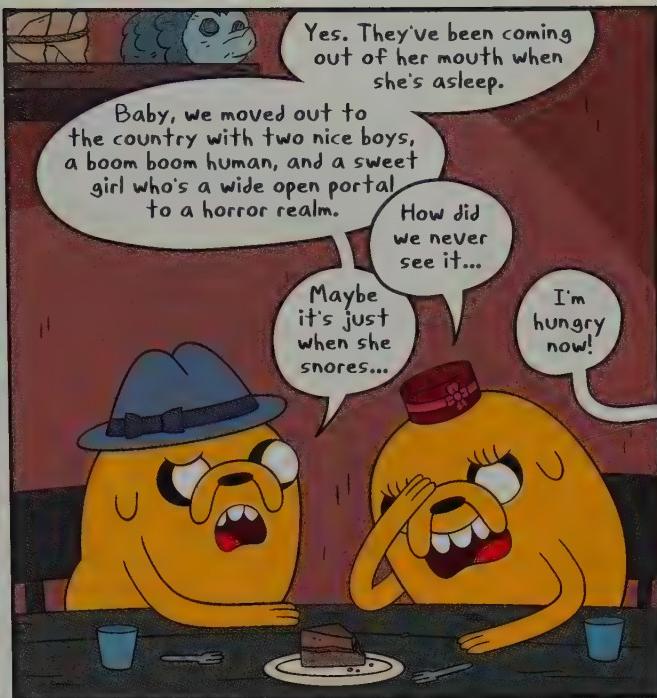

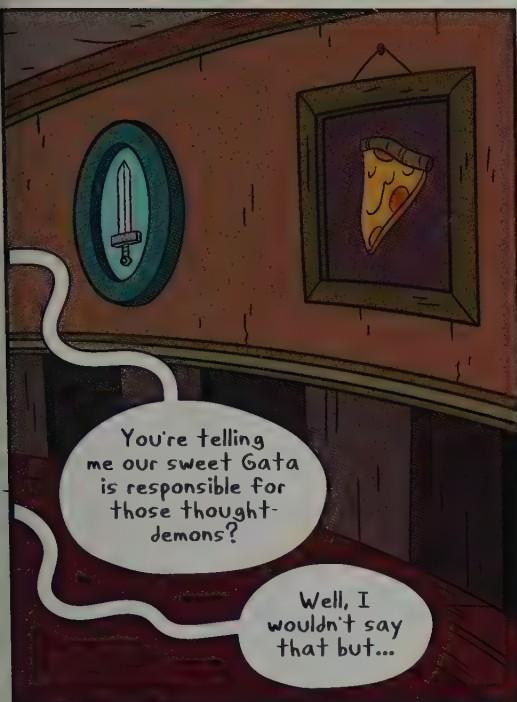

Jeepers?

Jeepers.

Yes.

Now what in blue devil's chowder is this statue doing in the middle of our kitchen!?

Seems a poor use of our time!

Beats me, Margaret! Did we all just decide we wanted to look at a statue in the night?

I agree! Let's get cracking on some sleep! Off to bed, everyone!

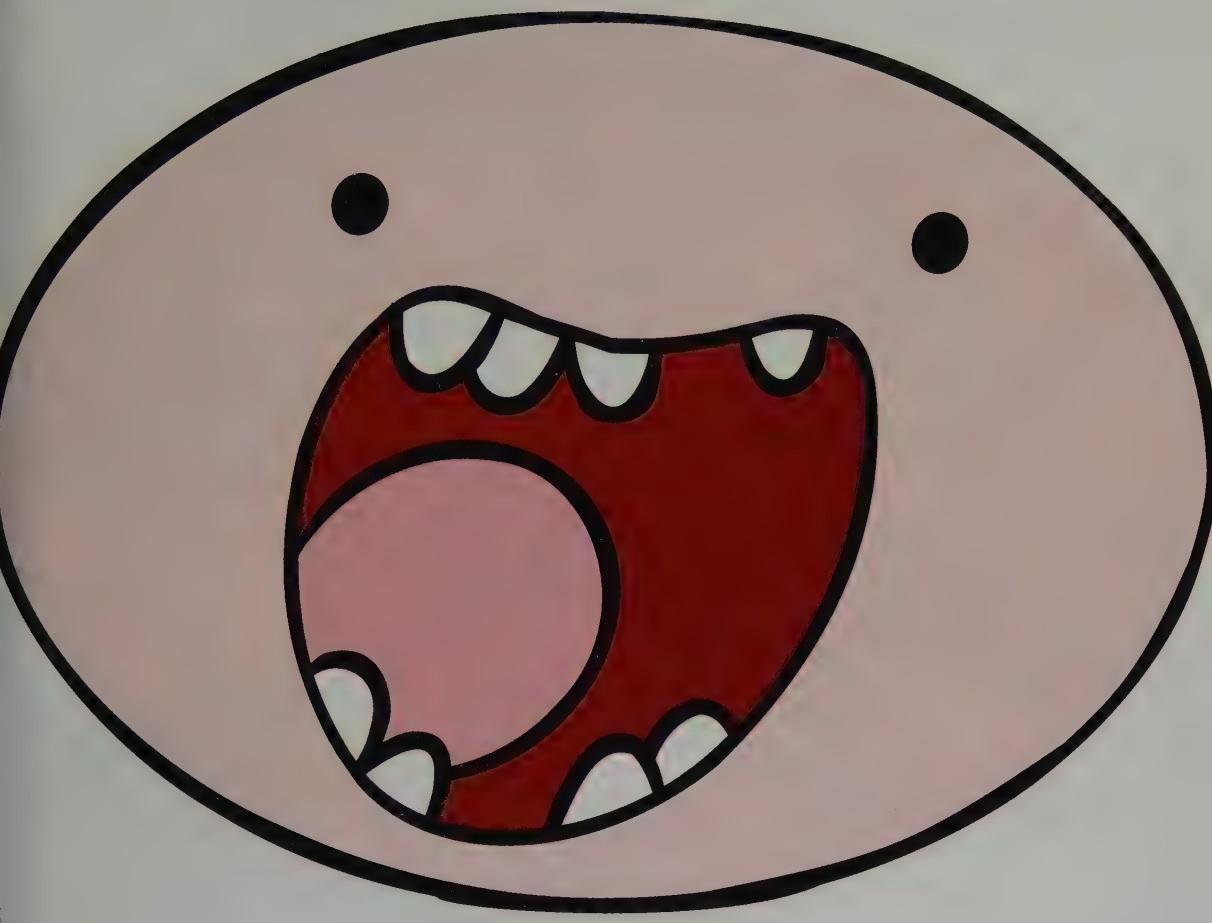

Did we just...

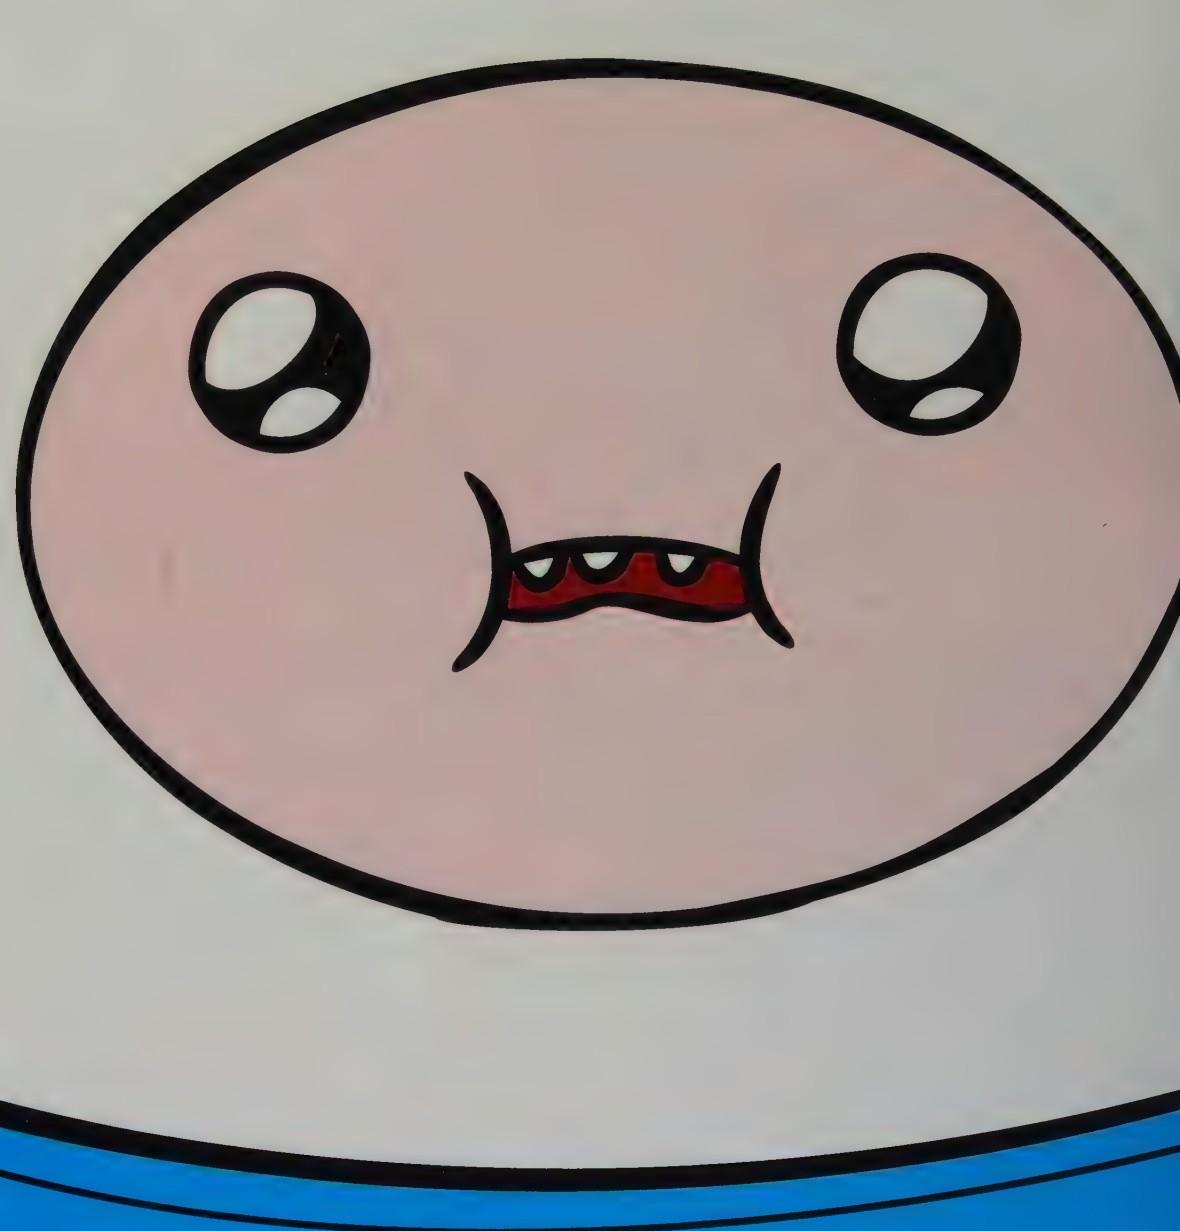

...I have a feeling WE had a hand in this statue and for GOOD REASON.

Better stick it under a lake.

SAY WHAT NOW?

So. Dad used a magic gunk to wipe you from existence.

Looks like it.

And when we broke the statue the magic created, the spell broke, and it was like you've been in our reality this whole time.

Probably, yeah.

Which is also why there's all these monsters we don't remember either.

They come out of your mouth.

BROS! Can you chill for a sec? This is kind of a WORLD SHATTERINGLY UPSETTING moment for me right now.

Sorry.

Totally fair.

Why stop? I deal with a lot of stuff I don't like! That's life, BAYBEE!

What do we do?

Well, you say we've been dealing with those thought demons our whole lives.

Thanks, Finn. But you saw it's not just the little guys. There's something TERRIBLE.

Something mean on the other side of this, and it could find my 'gate' at any moment...

...I think Joshua did the right thing.

No! He just had to make a snap decision!

I've got a decision for you! WE GO IN THERE OURSELVES.

Go in...my mouth?

YEEESSSSS.

Eh, okay.

Since this portal you're carrying around in your chompers only activates when you're asleep...

"Finn and Jake wait for their friend to fall asleep in their most thrilling adventure yet..."

"Shhhhh"

Wait,
dude! It's
happening!

Whoah!

Ugh.
Mysterious
portals. I'm
not into em!

It IS
pretty
weird.

We've seen
weirder
though!

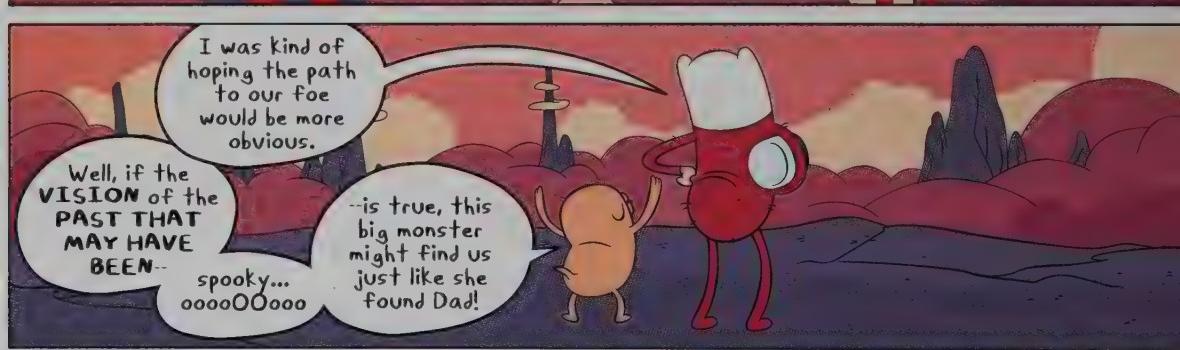

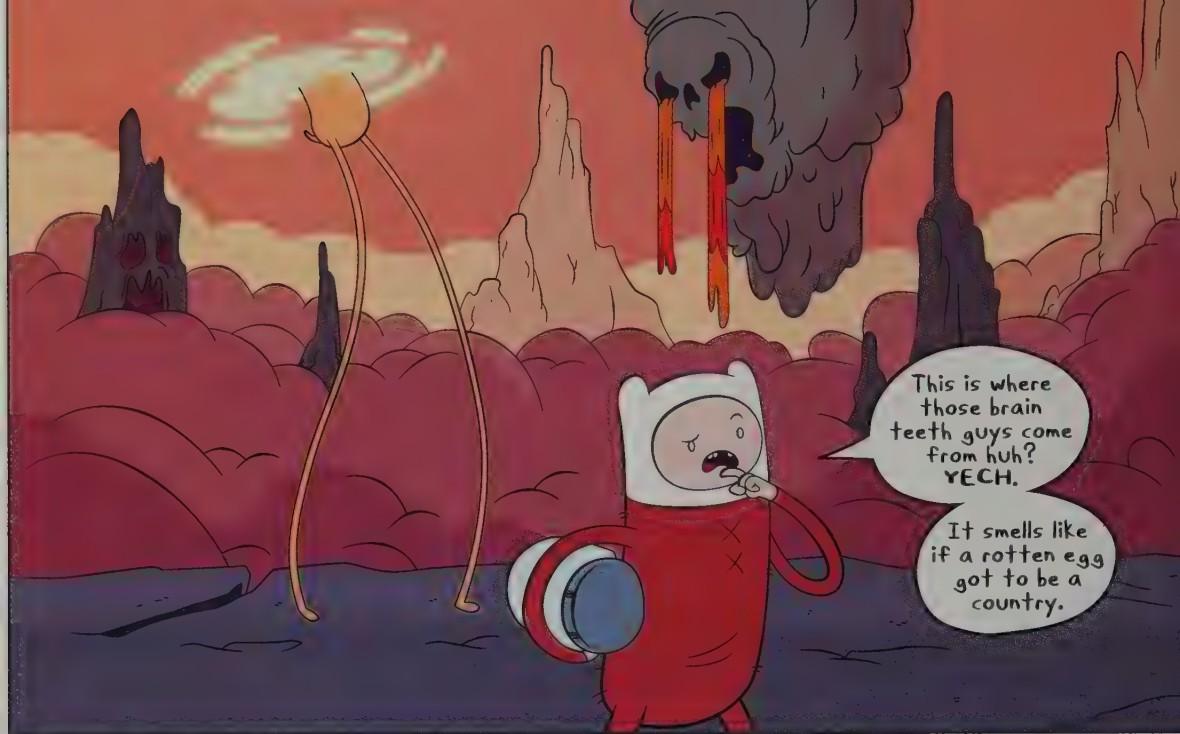

Or...
equally
weird!

We're brave
boys! Come on,
Jake!

BRAVE
BOOOYYYYEES!

Brave
boys.

BWIP

--take one down,
pass it around
now you've got one
more bottle on the
ground...

Uh,
Jake?

Yeah,
bro?

The portal's
gone. I think
Gata woke up.
We might be
stuck here a
while.

Maybe she
had to use the
potty. Don't
worry about
it!

D-D-DON'T
TELL ME
NOT T-T-O
WORRYYYYYY

SMACK!

BAH!
Away with
you buggery
brains!

Woah!

UH OH

UH OH

BORK

Uh oh!

This way,
strangers! The
brainys don't like
the caves! Too much
echos for their
blatherin'!

Thanks,
ma'am!

Well, we can't
go havin' the only
dog or human
come round here
get eaten up.

What
brought
you here,
anyway?

We're here
to destroy--uh...
MEET the great
leader of this place.
Do you know how we
can find her?

Oh, young masters, that would be very dangerous...

Yeah, we were pretty prepared for that. Nobody NICE runs a place like this.

But she WAS nice once! She cared for her land very much!

Doesn't look like it.

Well it wasn't THIS land, you see.

She was a great ruler in Ooo.

OOO? We've HEARD of Ooo.

Nice.

"She began to look to that magic as a solution to all the kingdom's problems. And it isolated her from her people."

"Yes... she was one of the great MAGICIAN QUEENS, but she was tempted by outer forces...incomprehensible witchery from beyond her plane of reality. The magic of the mumble mumble."

"They began to WHISPER about her. SECRETS. She didn't like it, and created CREATURES that would reveal the hidden thoughts around her."

OH! THOSE DUMB MONSTERS!

Yes. And they grew and spread beyond control.

And so the other rulers of Ooo sealed her and the Thought Demons away into THIS place.

"But she had a way out... before she was exiled she created a CHILD in SECRET. The child was left in Ooo...and when the time was right, could become the Queen's gateway BACK."

Come on, Gata! FOCUS! GO TO SLEEP! DON'T LEAVE THEM IN THERE!

Do we need to know all this backstory just to meet the lady?

Dude she probably doesn't get to talk to people that often. Be nice.

But the Queen didn't realize how VAST the land of her exile would be...and the portal has been lost in that vastness all this time. So she remains trapped here.

Forget sleep. You can DO this. SAVE. YOUR. FRIENDS.

SHOUT!

Oh! Look how
WELL the
rulers of Ooo
have done in my
absence!

This city is a an
EMBARASSMENT.
I WILL RAZE IT
ALL AND MY
REIGN WILL
START ANEW!

Gata!
We're out!

Guys!
You made it!
I was so
worried--

What
is that.

Gata...
that is yo
momma.

Say hi
before I WIPE
HER FROM
EXISTENCE!

SHLOR

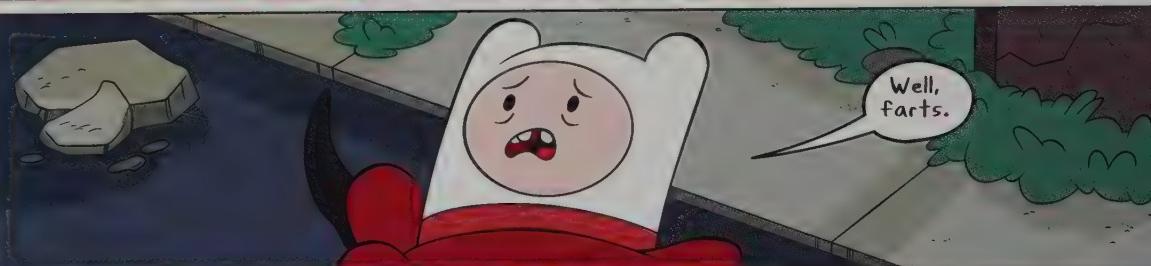

Oh! Ha ha ha oh little boy.

I thought I made it clear. I've touched magic FAR BEYOND anything that can be contained in this world.

This crude SLOP cannot harm me.

NOTHING HERE CAN.

You are some sort of HERO of this land?

Perhaps your ANNIHILATION will tell these people THEIR TRUE QUEEN is back.

AAAAAAA

DON'T HURT MY

We rush
Gata to the
Candy Kingdom!
The princess
will know what
to do!

Dude, Peebs
said it herself, she can't
even keep up with just
the LITTLE monsters
this lady made!

AND it took
ALL the rulers of
oldy times to banish
her, and she STILL
got out! What could
anyone possibly do
THIS time?!

We can't
even use ULTRA
DANGEROUS WIPE
FROM EXISTANCE
magic against her!

She's an
ANCIENT
EVIL man!

And
we're PRETTY
YOUNG
GOOD! We're
outmatched!

I don't
know! I
don't know!

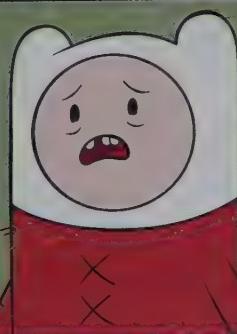

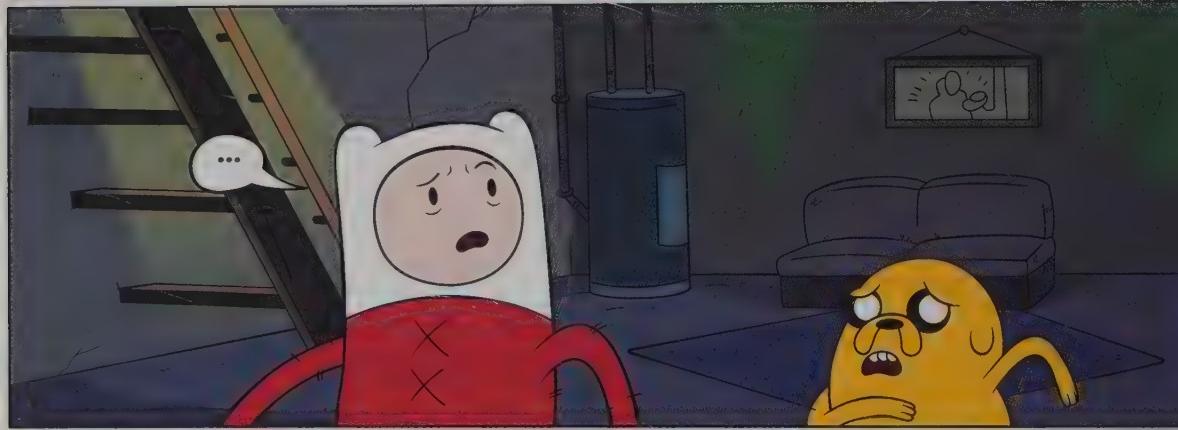

Thanks for
trying to save
me from her,
Finn.

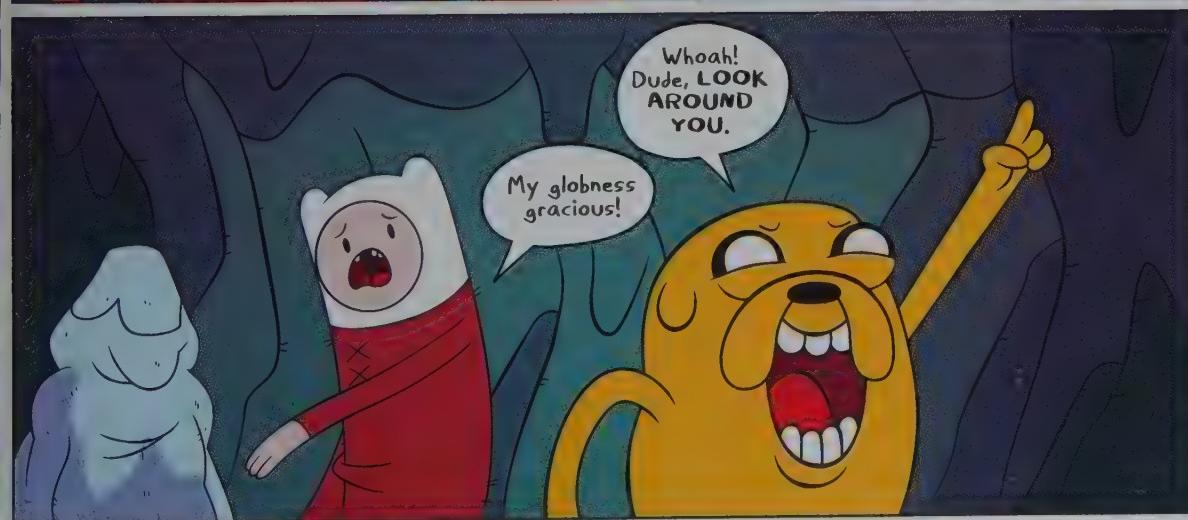

I don't think
you get to be
the hero this
time.

Where's she
goin?

PLEASE FAST FORWARD!

It's hard trying to listen to instructions of an old-timey recording, but Finn and Jake do their best. After an alarm goes off in a hidden underwater lair, they figure out what good ol' Josh needs them to do. Too bad they don't have the patience to listen all the way through. Join Finn and Jake as they take on . . . a new sister?!

It's memories versus curses as our two best pals do what they do best: break things and cause a ruckus. Christopher Hastings (Gwenpool), Zachary Sterling (Adventure Time™: Seeing Red), and Phil Murphy (Uncle Grandpa) return to this Eisner Award-winning series with all-new adventures starring holo-dads and more!
